

## Five Star Hospitality Collection

Inspired by nature the Five Star collection combines the natural genius of wool and down to create an indulgent light and sensuous bedware collection for discerning hospitality providers.

### Five Star Duvet

Five Star duvets are the ultimate in bedware luxury, blending pure New Zealand wool with white goose down, creating a high loft and opulent sleep experience.

**MATERIALS:** Soft, small clusters of pure New Zealand wool (40%) blended with premium grade white goose down clusters (60%) for lightness, drape and warmth. An exceptionally comfortable, safe and healthy alternative to synthetic fill. 100% fiber and down-proof natural cotton cover, 223 threads per inch. The cassette construction holds the wool fill in place, providing constant overall warmth and comfort.

**SIZES:** Single, King Single, Double, Queen, King and Super King.

**WEIGHT:** 200 gram and 300 gram.

**COLOURS:** White.

**MAINTENANCE:** Follow the manufacturer's care instructions. Air regularly in sunlight. Dry clean only in a moisture-free environment.

---

### Five Star Deluxe Reversible Underlay

The Five Star Reversible Underlay is the ultimate in all season sleeping comfort. Two layers of wool create warmth during the cool winter months while the cotton quilted reverse is perfect for those hot summer nights.

**MATERIALS:** Soft, small clusters of pure New Zealand wool encased between deep wool pile and a luxurious quilted cotton cover, 223 threads per inch. An exceptionally comfortable, safe and healthy alternative to synthetic underlay. The combination of cotton and wool discourages dust mites, reducing the risk for allergy and asthma sufferers.

**SIZES:** Single, King Single, Double, Queen, King and Super King.

**COLOURS:** Cream.

**MAINTENANCE:** Air regularly in sunlight and brush up wool pile. Dryclean only on gentle cycle.

---

### Five Star Pillow

The Five Star Pillow is the natural choice for the perfect night's sleep. Available in a range of comfort levels (soft, medium and firm) and filled with pure New Zealand wool clusters to create a unique and luxurious sleep experience.

**MATERIALS:** Soft, small clusters of pure New Zealand wool encased in a luxurious natural cotton cover, 223 threads per inch. An exceptionally comfortable, safe and healthy alternative to a synthetic pillow. The combination of cotton and wool discourages dust mites, reducing the risk for allergy and asthma sufferers.

**SIZES:** Standard 44 × 67cm, Large 47 × 73cm, Cumfy V Pillow 70 × 100cm, Neck Roll 40 × 15cm, Vee Neck Roll 40 × 30cm, Oblong Neck Roll 40 × 23cm.

**WEIGHT:** Soft, Medium and Firm fill.

**COLOURS:** White.

**MAINTENANCE:** Air regularly in sunlight. Hand wash or machine wash on wool cycle, gently spin. Do not bleach. Dry naturally. Drycleanable.

---

## Five Star Hospitality Collection

Inspired by nature the Five Star collection combines the natural genius of wool and down to create an indulgent light and sensuous bedware collection for discerning hospitality providers.

### Five Star Dreamsleeper

Transform your mattress into a luxurious sleeping experience with a pure New Zealand wool and premium grade white goosedown Five Star Dreamsleeper. An exceptional volume-to-weight ratio provides the ultimate in warmth, comfort and durability without needing heavy blankets on top or electric blankets below.

**MATERIALS:** Premium grade white goose down and feather (80%) blended with wool knops (20%). 100% fibre and down-proof natural cotton cover, 223 threads per inch. Boxed wall construction holds the fill in place, providing constant overall warmth and comfort.

**SIZES:** Single, King Single, Double, Queen, King and Super King.

**WEIGHT:** Soft, Medium and Firm fill.

**COLOURS:** White.

**MAINTENANCE:** Follow the manufacturer's care instructions. Drycleaning recommended, however, can be machine washed on gentle wool cycle.

---

### Five Star Dreamsleeper Protector

Extend the life of your Five Star Collection Dreamsleeper by encasing it with a Dreamsleeper Protector. A waterproof finish protects the Dreamsleeper while a natural cotton finish provides comfort.

**MATERIALS:** Poly cotton.

**SIZES:** Single, King Single, Double, Queen, King and Super King.

**WEIGHT:** 70 gram tetron.

**COLOURS:** White.

**MAINTENANCE:** Follow the manufacturer's care instructions. Machine wash or dry clean.
